

NECO CENTRI PIPES & FITTINGS

**BUILT STRONGER
TO
LAST LONGER**

WE CAST CONFIDENCE

NECO-CENTRI : The World's only lifelong drainage system manufactured in India having Technical Collaboration with M/s. Duker of Germany.

NECO-CENTRI drainage system is most suitable for the application of soil, waste, ventilation and rainwater disposal in the building drainage system.

NECO-CENTRI products are made out of Cast Iron in accordance with ISO-185 & IS-210 specifications.

NECO-CENTRI products are made out of Cast Iron hence they retain their shape, suppress sound and don't expand or contract in any extreme weather conditions and are temperature resistant & fire proof.

NECO-CENTRI drainage system is available with socket as per IS 3989-84 ISI marked.

NECO-CENTRI drainage system is available in full range of pipes and fittings of nominal sizes between DN 75, 100, 150 and 200 mm. The product is available through wide spread network of dealers & sub-dealers across the country backed by an efficient sales personnel.

NECO-CENTRI products are widely used and recommended by leading Builders, Architects, Consultants, Contractors and Government departments.

Important Features :

- Durable & Life Long • High Impact Strength
- Longer Length, Less Joints • Easy To Install
- Smooth Finish & Elegant Look • No Leakages, No Blockages • Fire Proof & Temperature Resistant • Cost Effective • Easy Availability
- Environment Friendly.

CENTRI SYSTEMS

ISO 9001-2000 CERTIFIED

SOIL WASTE VENTILATION AND RAINWATER DRAINAGE SYSTEM

The Neco Group is India's largest Sanitary Castings Group. Starting off in 1976, the Group today has interests in Foundries, Engineering & Automobile Castings, Ceramics, Valves, Solvent Extraction & Food Products. A 2500 Crore Group, it manufactures Castings for industries as diverse as Railways, Automobiles, Engineering, Constructions & Valves for Petroleum & Public Works, amounting to nearly 10 Lakh tonnes per annum. In a major backward integration exercise, it has set up a 3.5 Lakh tonnes per annum Pig Iron Project at Siltara, near Raipur (CG).
