- 4) The timing for re-opening of the trading window shall be determined by the Compliance Officer taking into account various factors including the UPSI in question becoming generally available and being capable of assimilation by the

market, which in any event shall not be earlier than forty-eight hours after the information becomes generally available.

- 5) When a Designated Person who has traded in securities has been in possession of UPSI, his trades would be presumed to have been motivated by the knowledge and awareness of such information in his possession.
- 6) Trading Window may be closed by the Company during such time in addition to the above period, as it may deem fit by the Compliance Officer.
