Dear Sirs,

Ref: Your email dated 6th July, 2021 seeking clarification on the disclosure submitted by the Company on 5th July, 2021 under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

With reference to the above matter, we would like to submit for your information that the development work at the mine is being carried out by hired equipments from vendors on contract basis. The attack has caused damage primarily to such hired equipments. As per contractual terms, the responsibility to insure the equipments lies with the vendor.

As the area is very remote and situation is tense at the site, the assessment of damage and loss remains difficult at present. On an initial assessment, the damage caused to the hired equipments is under Rs-5 crores.

We request you to take this on record.
