**Independent Auditors' Review Report on Unaudited Financial Results of the Company Pursuant to the Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

To,

The Board of Directors

JAYASWAL NECO INDUSTRIES LIMITED

1. We have reviewed the accompanying statement of Unaudited Financial Results of **JAYASWAL NECO INDUSTRIES LIMITED** ("the Company") for the quarter ended June 30, 2020, ("the statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Regulation"), as amended.
2. This statement is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34) as prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the statement based on our review.
3. We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

**4. Material Uncertainty Related to Going Concern**

We draw attention to Note no. 5 to the Statement regarding preparation of Financial Results of the Company on going concern basis, notwithstanding the fact that the Company continue to incurred cash losses, it's net worth has been fully eroded, loans have been called back by few of the secured lenders, application has been made to National Company Law Tribunal (NCLT), Mumbai, under section 7 of the Insolvency and Bankruptcy Code, 2016 (IBC) by State Bank of India, the erstwhile lead secured lender, which has been contested by the Company, for the reasons stated in the said note. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. Banks holding 94.28% (by value) of the total principal debt, assigned all their rights, title and interests in financial assistances granted by them to the Company in favor of Assets Care & Reconstruction Enterprise Limited acting in its capacity as Trustee of eight different Trust (ACRE) and for the other reasons mentioned in Note no. 5 to the Statement. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise requisite finance and generate cash flows in future to meet its obligations and to restructure its borrowing with the lenders.

Our conclusion is not modified in respect of this matter.

**5. Emphasis of Matters**

We draw your attention to the:

- a) Note no. 3 to the Statement, which describes the uncertainties related to COVID-19 and its consequential effects on the affairs of the Company.
- b) Note no. 4 to the Statement regarding the attachment of the properties of the Company to the extent of Rs. 30,758 lakhs by the Directorate of Enforcement, which has been contested by the Company.

Our conclusion is not modified in respect of these matters.

6. Based on our review conducted as stated above, read with our comments in paragraph 4 and 5 above, nothing has come to our attention that causes us to believe that the statement, prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**7. Other Matter**

- a) The managerial remuneration of Rs. 49 Lakhs paid to the whole time directors of the Company for the quarter ended June 30, 2020, is subject to approval from the shareholders of the Company as required under the Act.

Our conclusion is not modified in respect of this matter.

## Notes :

- 1 The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on 14th September, 2020. The Statutory Auditors have carried out a Limited Review of the above results.
- 2 As reported earlier, eight out of twelve bankers of the Company had assigned their fund based debt along with underlying financial documents together with their rights, benefits and obligations in favour of Assets Care & Reconstruction Enterprise Ltd (ACRE) acting in its capacity as trustee of various trusts; accordingly, total assignment till date amounts to Rs. 349069 lakhs constituting 94.28% of the total Principal Fund Based Outstanding.
- 3 The outbreak of COVID-19 virus continues to spread across the globe including India and to control this, the Governmental authorities had been forced to commence nationwide lockdown. Accordingly, with effect from 24th March, 2020 to 14th May, 2020 the Company had to shut down its Integrated Steel Plant at Siltara, Raipur, Captive Iron Ore Mine at Metabodeli and Foundry Unit at Anjora in the state of Chhattisgarh. The foundry units of the Company situated at Hingna, Nagpur and Butibori Industrial Areas, had been shut down from 21st March, 2020 and they reopened in the month of May, 2020. Presently the operations have commenced with reduced capacity. It has significantly affected the business of the Company, liquidity and raised concerns for the coming quarters.

Post gradual lifting of lockdown, significant challenges for the Company's business persists. Restoring supply chains and customers normal scale of operations more predominantly located in the Red Zones and bringing back the migrant labours working with the customers continue to remain a huge challenge. The customers have liquidated their existing stocks post their operations resumption before starting to ramp up production. Consequently the company is expected to continue to work at lower utilization levels till demand resumes meaningfully. To deal effectively with the Covid-19 pandemic, periodic instructions were issued by the Company to its workers, contractors and employees aligned with the periodic instructions issued by the Governmental authorities. Constant awareness campaign and the need and importance to adhere to them has been continuously spread amongst the workers, contractors and the employees. The Company has also ensured regular and contract labour continuity for its operations. The migrant labour exodus has not affected the Company's work force.

During the quarter due to the Covid induced market situation, the Company at its Steel Plant Division could operate only its Pellet Plant, Coke Oven Plants, Sponge Iron Plants and the associated Power Plants only. The same has affected the earnings quite adversely. It is not possible to determine the exact financial impact of Covid-19 pandemic over the business at this juncture as it is a continuing and evolving situation. The sustainable demand volumes, selling prices and margins that the Company can earn post Covid-19 recovery would be known once businesses stabilize and the entire ecosystem starts functioning smoothly.

Keeping in mind the health and safety of its employees, customers, vendors, the Company strives hard to come out of the Covid-19 crisis with positive approach, patience, committed team work, enhancement of efficiencies, cost reduction, Governmental and stakeholders support, clearly defined objectives and meticulous roadmap for its execution.

- 4 As reported earlier, the Directorate of Enforcement had provisionally attached the Plant and Machinery under installation at Dagori Integrated Steel Plant situated at Bilha, Bilaspur (Chhattisgarh) to the extent of Rs. 20616 Lakhs for alleged misuse of coal raised from Gare Palma IV/4 coal block at Chhattisgarh - (First attachment) and also had provisionally attached certain property, plant and equipment to the extent of Rs. 2092 lakhs situated at Dagori Integrated steel plant situated at, Bilha, Bilaspur (Chhattisgarh) and Rs. 8050 Lakhs situated at Steel Plant Division, Siltara, Raipur. The Order inter-alia alleged that benefits to the extent of Rs. 10142 Lakhs accrued to the Company, in the form of fresh share capital issuance for setting up and use projects related to captive coal mine of Gare Palma IV/4 coal block, constitutes as part of Proceeds of Crime - (Second attachment).

The Adjudicating Authority had confirmed the above both provisional attachments. Subsequently the Appellate Authority stayed both the attachments on an appeal filed by the Company. On 15th March, 2019, upon the Company's request, the ED Appellate Authority had clubbed the matter of first attachment with the matter of second attachment. The matter has been put up for hearing now on 18th September, 2020 with the ED Appellate Authority. The Company has a good case on merits, is likely to succeed in refuting the allegations and does not expect any material liability on the Company on this account.

- 5 The Company underwent significant financial stress in the last six years due to cancellation of its three captive coal mines, payment of additional levy on mined coal as per the Hon'ble Supreme Court order, Covid-19 related lockdown of business units and its consequent adverse impact on the Company and various other reasons which have resulted in financial constraints to the Company, losses in the operations, wipe out of the net worth and calling back of loans by few of the secured lenders. Further, an appropriate debt restructuring scheme was approved by the super majority of the secured lenders and the Company had complied with the conditions of debt restructuring scheme including getting Independent Evaluation Committee recommendation to the scheme, infusion of stipulated additional funds as Promoters Contribution as per the scheme and signing of its Master Restructuring Agreement by the Lenders.

However on the directions of Reserve Bank of India (RBI), which had not agreed to the approved debt restructuring scheme being fully implemented within the stipulated time line of 15th December, 2017, State Bank of India (SBI), the erstwhile lead secured lender, had filed an application under Section 7 of the Insolvency and Bankruptcy Code, 2016, against the Company, claiming an amount of Rs. 51383 Lakhs as default as on 30th November, 2017.
